For FY 2002-03, each county is required to submit a Preliminary and Final Annual Report. The reports combine fiscal data and patient service cost/utilization data by subaccount. Please note that both reports include separate Financial Statements and Expenditure and Utilization Reports for the formula and discretionary allocation of the Noncounty Hospital Subaccount.

The Preliminary Annual Report includes disbursements for all patient services provided during the fiscal year, from July 1, 2002, through June 30, 2003, and is due on November 15, 2003. Similarly, the Final Annual includes disbursements for all patient services provided during the FY, but is due on April 15, 2004.

INSTRUCTIONS FOR COMPLETING THE

PRELIMINARY ANNUAL

TRUST/SPECIAL REVENUE FUND BALANCE REPORT

FISCAL YEAR 2002-03

The purpose of the Preliminary Annual Report is to provide a status report to the State of how counties expend their California Healthcare for Indigents Program (CHIP)/Rural Health Services (RHS) Program funds on the medically indigent population. The information derived from the Preliminary Annual Report will be used to address policy questions related to indigent health care programs posed by legislative staff, state administrative officials, and representatives from provider organizations.

The Report will provide an accounting of income and disbursements by CHIP/RHS Program subaccounts, which includes a general display of expenditures and service utilization data. Since this is a preliminary report, the disbursement data does not have to exhibit a one-to-one correlation to the expenditure data. Thus, the county auditor controller is only required to certify the Report's accuracy and that supporting documentation is available for review.

Please use the following outlined instructions when completing the Preliminary Annual Report:

I. FINANCIAL STATEMENT

A. BEGINNING BALANCE. The amount is the beginning balance of the Trust Fund for Fiscal Year (FY) 2002-03. The beginning balance must be zero.

B. INCOME

1. FUNDS RECEIVED PURSUANT TO SECTIONS 16931 and 16941 OF THE WELFARE AND INSTITUTIONS CODE. Total CHIP/RHS Program payments received for FY 2002-03.
2. INTEREST EARNED FY 2002-03. Interest earned and posted to the Fund for FY 2002-03 with a transaction cutoff date of October 15, 2003.
3. INTEREST CARRIED OVER FROM FY 2001-02. Interest carried over from the FY 2001-02 Trust Fund.
4. TOTAL INCOME. The sum of B1, B2, and B3.

C. DISBURSEMENTS

1. FUNDS DISBURSED FOR SERVICES. Disbursements for services provided from July 1, 2002, through June 30, 2003.

2. FUNDS DISBURSED FOR ADMINISTRATIVE COSTS. County administrative costs attributable to the administration of the CHIP or RHS Program for FY 2002-03.
 3. INTEREST TO BE TRANSFERRED TO FY 2003-04 TRUST FUND. Interest earned by the fund, but not spent during the fiscal year. The amount can only be carried over to the FY 2003-04 account or subaccount and appropriated for expenditure.
 4. FUNDS DISBURSED FOR EQUIPMENT (Applies only to the Other Health Services Account). Funds disbursed for equipment must be consistent with FY 2002-03 CHIP/RHS Program Standard Agreement, which states that no more than five percent (5%) of the county's Other Health Services allocation or fifty-thousand dollars (\$50,000), whichever is greater, may be expended for equipment and fixed assets, and no single expenditure may exceed ten-thousand dollars (\$10,000).
 5. TOTAL DISBURSEMENTS. The sum of C1-C4 (depending on the account).
- D. MONIES RECOVERED BY THE TRUST FUND AND NOT DISBURSED. FY 2002-03 funds which were previously disbursed, recovered by the county, and not expended.
- E. ENDING BALANCE. Add the Beginning Balance to the Total Income, subtract the Total Disbursements, and add the Recovered Monies.
- II. CERTIFICATION. The Preliminary Annual Report requires signature by the county auditor controller certifying the Report's accuracy and that supporting documentation is available for State review. Unlike the Final Annual, the Preliminary Annual Report does not require certification that the dollar amounts reported in the trust fund financial statement have been reconciled with the dollar amounts reported in the expenditure and utilization data submitted with the Report.
